

“Free Unclaimed Property Database Search” Terms and Conditions

By submitting a request to have Finder Investigative Services, LLC (“AGENCY”) search for unclaimed property, you agree to the following terms and conditions.

You agree to be truthful in your communications with AGENCY, and you assume all responsibility for information provided to AGENCY via the website form submission on unclaimed-property.us. If there is any information you would like to be kept confidential, you should not submit that information to AGENCY via the online form.

You understand that by the act of submitting a search request to AGENCY via the online form, a client-agency relationship is not established, and AGENCY shall owe no duty to you as a client. If any claimable accounts are located, AGENCY will require you to sign a Limited Power of Attorney form in order file any claims on your behalf.

You understand that if you request AGENCY to search for property for someone other than yourself, and it is determined that you are not entitled to the property located, AGENCY may directly contact the party that is entitled to the property without any further communication to you.
